Application No. 09/577,909

ORDER RETURNING UNDOCKETED APPEAL TO EXAMINER

This application was received at the Board of Patent Appeals and Interferences on June 17, 2005. A review of the application has revealed that the application is not ready for docketing as an appeal. Accordingly, the application is herewith being returned to the examiner. The matter requiring attention prior to docketing is identified below.

There is no proper indication on the record that the conference was held. In accordance with MPEP § 1208 regarding appeal conferences:

On the examiner's answer, below the primary examiner's signature, the word "Conferees" should be included, followed by the typed or printed names of the other two appeal conference participants. These two appeal conference participants must place their initials next to their name. This will make the record clear that an appeal conference has been held.

Appropriate correction is required.

Application No. 09/577,909

Accordingly, it is

ORDERED that the application is returned to the Examiner to 1) hold an appeal conference, 2) notify appellants in writing that the appeal conference was held and 3) for such further action as may be appropriate.
